

Engaging on Governance

Key Issues

Hossain Zillur Rahman
PPRC, Bangladesh

Whose Concern?

- Policy elites
growth acceleration, threat mitigation
- International Capital
policy stability, costs of business
- Citizens/Poor
every rights and needs, development results

Contrasting indices of concern

- Set 1
 - Policy stability
 - Corruption

- Set 2
 - Harassment
 - Insecurity
 - Service outcomes
 - Trust
 - Voice
 - Opportunity

Lessons To-date

- A plurality of paths
centralized east asian approach, multi-driver south asian approach
- Results best when governance pursued as a combination of political and functional agenda
decentralization to local governance
- Micro-governance/incremental reforms a key window
- Building norms as important as policy

Entry points

- Financial management reforms
- Quality institutions
- Local governance
- System-building on politics
- Micro-governance solutions
- Re-kindling public ethics
- Connectivity
- MDG-centric targeted initiatives
