Ekaterina Siurina celebrates the song-writing talents of four great composers better known for their operas in a recital of flirtatious, passionate and grief-stricken lovers plighting their troths in Naples, Florence, Venice and elsewhere.

Presenting the major singers of today and the stars of tomorrow, the Rosenblatt Recitals are London's only world-class season of opera recitals. This new partnership with Opus Arte will see 5-6 CDs released per year, based predominantly on studio recordings with occasional bonus live tracks.

- Russian soprano who has appeared at Covent Garden, the Met and Paris Opera
- CD features works by Bellini, Donizetti, Verdi & Rossini
